

# POWER STEERING FLUID

## EXTENDED LIFE

Technical Data Sheet

### CONTAINS CORROSION INHIBITORS MIXES WITH OTHER FLUIDS

iLast Power Steering Fluid is a high quality power steering fluid and conditioner suitable for use in most automobiles. Our Formula is made with high quality oil, plasticizers, and stabilizer additives that prevent hardening and shrinkage of seals, reduce bearing, piston and valve noise and wear. It helps stop pump squealing, protects seals, helps prevent unusual wear and provide easier, quieter and smoother steering. iLast Power Steering Fluid is formulated to be non-foaming and non-corrosive and will mix with most factory power steering fluids.

**MADE  
IN USA**

### Typical Properties

Flash Point	>350 °F
Boiling Point	>400 °F
Specific Gravity	.9
Appearance	Colorless Liquid
Odor	Mild Petroleum
Flammability	Low Flammability
Plastic Safe	Yes
Propellant	Not Applicable

Typical test data are average values only. Minor variations, which do not affect performance, may occur. As always, you should consult your owner's manual to verify the proper fluid recommendation for your particular vehicle.
