

STARTING FLUID

EXTENDED LIFE

Technical Data Sheet

V170517

FAST STARTING ON THE COLDEST DAYS FOR GAS AND DIESEL ENGINES

iLast Starting Fluid is formulated for diesel and gasoline engines to deliver maximum strength and optimum starting performance. It helps start stubborn engines quickly in cold weather, reducing drain on batteries. iLast Starting Fluid contains upper cylinder lubricant for engine protection at start up. Easy to use, works well on lawn mowers, trimmers, chain saws, motorcycles as well as automotive and heavy equipment industrial engines.

MADE IN USA

10.7-Ounce - FPiL0002

Typical Properties

Flash Point	<-10 °F
Boiling Point	-44 °F
Specific Gravity	Not Determined
Appearance	Clear, Colorless Liquid
Odor	Ether Like
Flammability	Very Flammable
Plastic Safe	Yes
Propellant	A-85

Typical test data are average values only. Minor variations, which do not affect performance, may occur. As always, you should consult your owner's manual to verify the proper fluid recommendation for your particular vehicle.
